For everything there is a season, and a time for every matter under heaven - Ecclesiastes 3:1

1. Introduction

1.1 Employees other than teachers have a right to annual leave under the Working Time Regulations 1998 (WTR) which is an entitlement to paid time off.

1.2 Any employee who is suspected to have abused the provision for annual leave may be subject to disciplinary proceedings in line with the academy trust's Disciplinary Procedure.

1.3 This procedure does not form part of any employee's contract of employment and it may be amended at any time following consultation. We may also vary this procedure, including any time limits, as appropriate in any case.

1.4 This policy has been [agreed OR implemented] following consultation with staff and the recognised trade unions. It has been adopted by the [governing body/board/Trust] on 22nd October 2015.

2. Scope and purpose of this policy

2.1 The purpose of this policy is to ensure that employees within the academy trust who are entitled to annual leave understand their entitlement to annual leave, that annual leave requires approval and how to request approval. It will also ensure that staff across the academy trust are treated in a fair and consistent way when requesting annual leave.

2.2 The procedure applies to all employees regardless of length of service. It does not apply to agency workers.

3. Teachers

3.1 Teachers are required under School Teachers' Pay and Conditions Document (STPCD) to be available for work for 195 days each year. There is no

contractual provision to annual leave for teachers but they do have a statutory right to 28 days' annual leave under the WTR. This is not an additional entitlement to annual leave on top of school closure periods.

3.2 Teachers are therefore not entitled to any annual leave outside of school contracted closure periods.

4. Non-teaching staff

4.1 The leave year runs from 1 April to 31 March each year. An employee's entitlement to annual leave is in accordance with the provisions of the Green Book and confirmed on appointment. Trust Employees who are contracted to work for less than [full time hours] hours a week will receive annual leave on a pro rata basis.

Term time only (TTO) employees

4.2 Non-teaching staff who work less than all year round e.g. term time only or term time plus additional weeks, are deemed to take annual leave during the weeks that they are not contracted to work. They are not entitled to take annual leave on days when the school is open including INSET and training days. Payment for annual leave is included in the employee's salary. Requests from term time only employees to take a holiday within term-time will usually be refused. Therefore employees should not make any holiday commitments or bookings during term time.

All year round employees

4.3 All holiday must be taken during the holiday year in which it is accrued. A maximum of three days may be carried over from one holiday year to the next but this can be done only with the prior approval of the Business Leader. In exceptional circumstances the Business Leader may authorise more days to be carried over.

4.4 Prior approval must be obtained from the Business Leader. As much notice as possible of proposed holiday dates must be given to ensure adequate staffing coverage at all times.

4.5 The Business Leader will not unreasonably turn down requests for annual leave, however when granting a request consideration will be given to the operational needs of the academy trust.

4.6 It is expected that annual leave should normally be taken during periods of academy trust closure.

5. Public and bank holidays

5.1 All recognised public and bank holidays, the dates of which vary from year to year, are permitted as paid holiday in addition to the annual holiday entitlement specified above. Payment for these days is included in an employee's annual salary.

5.2 An employee will not be paid for any bank or public holiday if they are absent from work immediately before or after, unless:

- expressly authorised; or
- due to sickness

6. Employees joining or leaving part way through the year

6.1 If an employee joins the organisation part way through a holiday year, they will be entitled to a proportion of their holiday entitlement based on the period of his/her employment in that holiday year.

6.2 If the employee leaves the academy trust's employment part way through a holiday year, they will be entitled to be paid for any of their accrued annual leave entitlement for that holiday year that has not been taken by the date of termination unless their employment was terminated for gross misconduct or they gave

inadequate notice of termination. If, on the date of termination, they have taken in excess of their entitlement, they will be required to reimburse the academy trust where applicable in respect of such holiday.

7. Sickness during annual leave

7.1 Where an employee other than teachers falls sick or is injured while on annual leave, the academy trust will allow the employee to transfer to sick leave and take replacement annual leave of the same number of days lost due to sickness or injury at a later time. This policy is subject to the following strict conditions:

- The total period of sickness must be fully certificated by a qualified medical practitioner where it exceeds seven days.
- The employee must contact the academy trust (by telephone if possible) as soon as they know that there will be a period of sickness during a holiday.
- The employee must submit a written request no later than 10 days after returning to work setting out how much of the annual leave period was affected by sickness
- Where the employee is overseas when they fall ill or are injured, evidence must still be produced that the employee was ill by way of either a medical certificate or proof of a claim on an insurance policy for medical treatment received at the overseas location.

7.2 If an employee is ill or is injured before the start of planned annual leave, the employee can request to postpone the leave in writing to the Headteacher with a letter from their doctor confirming they are unfit, or still likely to be unfit, to take their holiday. Any period of sickness absence will then be treated in accordance with the normal policy on sickness absence and the annual leave postponed to another mutually agreed time.

7.3 An employee must request to take any replacement holiday in accordance with this policy and it should normally be taken in the same holiday year in which it was accrued. In exceptional circumstances, the school may allow the annual leave to be carried forward into the next leave year but may require an employee to take their replacement holiday on particular days. The school is not required to provide the employee with any minimum period of notice to do this, although it will aim to provide reasonable notice.

8. Holiday entitlement during sick leave

8.1 An employee who is absent on sick leave will continue to accrue his/her full statutory holiday entitlement. However, contractual holiday entitlement over and above the minimum statutory holiday entitlement provided for by the Working Time Regulations 1998 will not accrue during any paid or unpaid period of sick leave once an employee has been continuously absent for a period of 3 months. For the purpose of calculating the period of continuous absence, the academy trust may disregard a return to work that is less than 10 working days.

8.2 The academy trust expects that employees will arrange to use their annual leave entitlement in the year that it accrues. An employee on sick leave may apply to take his/her accrued holiday entitlement while on sick leave. The holiday dates must be approved in accordance with this policy.

8.3 However, where an employee has good reason for not being able to do so, the academy trust will allow the employee to carry that leave forward into the next holiday year. The academy trust may require an employee to take all or part of their replacement holiday on particular days and it is not required to provide the employee with any minimum period of notice to do this, although it will aim to provide reasonable notice.

9. Review of policy

This policy is reviewed every 3 years by the academy trust [in consultation with staff [and the recognised trade unions]]. We will monitor the application and outcomes of this policy to ensure it is working effectively.
