Very happy with the support my child receives. My child is happy and continues to thrive. With your guidance my son is developing into a confident and capable child. We feel happy and safe in our school community. My son is extremely happy at school and well supported. I couldn't see him doing as well at another school. Thank you all for all your hard work and the support you offer to the whole family. The school has dealt with the pandemic very well. I've felt confident with my child attending and being safe. They enjoy coming which is wonderful and reassuring. What an amazing job you done. It is amazing to see them grow in knowledge in all ramifications. Thank you so much. We are extremely happy with the school's approach to teaching and learning for our children. Thank you for the opportunity to participate in this survey. I really like the children being part of this community and well-mannered school. I always recommend this is the best school to attend. Keep up your hard work. Sincerely appreciate the support or child is given at school. She excels academically but has also become more resilient and independent and a much happier and friendlier girl thanks to her time at OLSE. My child loves waking up and coming to school. She enjoys her lessons and speaks highly of her friends and teachers. As parents we are happy with all the helpful advice and support we receive. Although teachers tell us to ask about anything, sometimes this is difficult and time limited at the end of the day. Progression is shared during meetings and end of year reports. Better use of diary for communication perhaps?

Thank you for your feedback, I will let you know the results later this month. Mrs Byrne
